New Webpage Master

Thanks so much to Dennis Jones for handling the MAA Webpage for the past several years. He added his personal touch to the webpage and we are very appreciative for all his help with getting the needed MAA info out to our MAA members.

We are also happy to welcome Mike Leiter to the position. In the future any updates or questions about info please contact him at: michael.leiter@us.army.mil. If you find there are things that might be a great addition to the website or our members might or need to know please contact him.

Shoot or event cancellation or updates

This is a reminder! That it is the responsibility of the club representatives that the MAA has as their contacts to forward any info about club cancellations or updates of info to ALL of their club members. Be that a posting at their club, email and website or their clubs newsletter.

Newsletters via Email

Please make an announcement at your club meeting and or put in your club newsletters that we are still looking for email addresses for MAA members we do not have. This has saved the MAA a lot of money in postage. Please have them contact Colleen McGowan, MAA Secretary at the email address in the header of the newsletter. Or forward your email address list to MCGOWANCOL@AOL.COM. We DO NOT mail any newsletters any longer unless it is an older member who does not do email. Also, we send all notifications out to everyone I have an email address for. If someone from your club has changed their email address they MUST tell me that.
